1. Overview

This policy stipulates the operating procedures for the official LinkedIn account (hereinafter referred to as "this account").

2. Basic policy

The purpose of this account is to provide users with information about the activities of the CSAHi-MPS team, to help them understand the current situation regarding the CSAHi-MPS team, and to provide users with information about MPS.

3. Operation method

This account is operated by members of the CSAHi-MPS team. It is intended solely for the purpose of disseminating information and, as a rule, will not reply to messages. However, opinions and inquiries can be sent via the contact form "<https://csahi.org/contact>".

4. Disclaimer

- Every effort has been made to ensure the accuracy of the information posted on this account, but CSAHi assumes no responsibility for any actions taken by users using the information on this account.
- CSAHi assumes no responsibility for replies, quotations/retransmissions, comments, etc. posted by users to this account.
- CSAHi assumes no responsibility for any trouble or disputes that arise between users or between a user and a third party in connection with this account.
- Content may be changed, transferred, deleted, etc. without notice.

5. Copyright

Content on SNS cannot be reproduced or used without the permission of the CSAHi-MPS team, except for personal use, citations, and other acts permitted by copyright law. When quoting or using content on SNS, be sure to clearly indicate the source.

6. Notification and changes to the operational policy

The contents of this policy will be posted on the CSAHi website. In addition, this policy may be changed as necessary without prior notice.

7. Notes

CSAHi may suspend operation of this account, delete posts, or delete the account itself without prior notice. Please be aware of this in advance.

Furthermore, CSAHi and its members shall not bear any responsibility for the above measures.
